Chaos is published by the American Institute of Physics (AIP) and devoted to increasing the understanding of nonlinear phenomena and describing the manifestations in a manner comprehensible to researchers from a broad spectrum of disciplines. Content is published online daily and collected into quarterly online and printed issues (4 issues per year).

Submissions: Submit manuscripts at chaos.peerx-press.org. Submission implies that the manuscript has not been published previously and is not currently submitted for publication elsewhere. For specific editorial format requirements and submission information, visit chaos.aip.org/authors.

Publication Charge: Although the journal carries no regular page charge, for any contributed published article that exceeds 12 journal pages, a mandatory \$150 page charge will be added for each page in excess of 12 pages.

Open Access: Through participation in *Author Select*® and payment of a \$1500 fee, authors may choose open access publication for their accepted papers. Authors will receive information during the production process. More details about this option may be found at chaos.aip.org/authors.

Color Figures: Color illustrations will appear in the online and printed version of the journal at no cost to authors. Authors should indicate at the time of submission that they are including figures they would like to have appear in color in the printed version of the journal.

Reprints: Authors will be contacted about reprint orders during the production process; all orders are placed through Rightslink. Direct questions to pcr@aip.org.

2011 Subscription Prices:

Institutions: For information and rates, visit librarians.aip.org or contact subs@aip.org.

Members: For information and rates, visit journals.aip.org/2011MemberRate.pdf or contact subs@aip.org.

Rights and Permissions

Copying: Single copies of individual articles may be made for private use or research. Authorization is given to copy articles beyond the free use permitted under Sections 107 and 108 of the U.S. Copyright Law, provided that the copying fee of \$30.00 per copy per article is paid to the Copyright Clearance Center, 222 Rosewood Drive, Danvers, MA 01923, USA, www.copyright.com. For classroom use fees, contact CCC's Academic Permission Service. (Note: The ISSN for this journal is 1054-1500.) Authorization does not extend to systematic or multiple reproduction, to copying for promotional purposes, to electronic storage or distribution, or to republication in any form. In all such cases, specific written permission from AIP must be obtained.

Other Use: See author's web posting guidelines at chaos.aip.org/authors. Permission is granted to quote from the journal with the customary acknowledgment of the source. Republication of an article or portions thereof requires formal permission from AIP and may be subject to fees. Permission may be obtained online using Rightslink. Simply click on the Tools icon in the abstract, then select the Permissions/Reprints link. You may also address requests to rights@aip.org.
