Poliars, Room 324, Bloomington, IN 47405.

Authors who wish to have their manuscript handled by a  
specific member of the Editorial Board should so notify the  
editorial office at the time of their submission, and also send  
two copies (in addition to the three sent to the editorial of-  
fice) of their manuscript to the Board member of their choice.  
Detailed information on manuscript submission can be found  
in the January issue.

The *Journal of Mathematical Physics* (ISSN: 0022-2488)  
is published monthly by the American Institute of Physics.  
Second-class postage paid at Woodbury, NY, and at addi-  
tional mailing offices. POSTMASTER: Send address  
changes to the *Journal of Mathematical Physics*, American  
Institute of Physics, 500 Sunnyside Blvd., Woodbury, NY  
11797-2999.

The *Journal of Mathematical Physics* is published monthly by the American Institute of Physics (AIP).

Its purpose is the publication of papers in mathematical physics—that is, the application of mathematics to problems in physics and the development of mathematical methods suitable for such

applications and for the formulation of physical theories. The mathematics should be written in a manner that is understandable to theoretical physicists. Occasionally, reviews of mathematical subjects relevant to physics and special issues combining papers on a topic of current interest may be published.
