\*For various reasons, manuscripts should not be sent to these members of the Editorial Board.

**AIP Production:** Lin Miller, *Editorial Supervisor*; Andrea Witt, *Journal Coordinator*; Carolyn DeMarco, *Chief Production Editor*.

**Submit manuscripts (3 copies)** to Office of the Editor, *Journal of Mathematical Physics*, Indiana University, The Poplars, Room 324, Bloomington, IN 47405. There is no publication charge.

Authors who wish to have their manuscript handled by a specific member of the Editorial Board should so notify the editorial office at the time of their submission, and also send two copies (in addition to the three sent to the editorial office) of their manuscript to the Board member of their choice. Detailed information on manuscript submission can be found in the January issue.

**Physics Auxiliary Publication Service (PAPS) and/or Electronic PAPS (E-PAPS):** For a nominal fee, authors may submit material that is part of and supplemental to a paper, but is too long to be included in the journal. PAPS deposits may be on paper or in electronic media, and can include text, data in graphic or numeric form,

computer programs, etc. Retrieval instructions are footnoted in the related published paper. Direct requests to the editor.

**Proofs and all correspondence** concerning papers in the process of publication should be addressed to: Editorial Supervisor, *Journal of Mathematical Physics*, American Institute of Physics, 500 Sunnyside Boulevard, Woodbury, NY 11797-2999.

**Additional information** regarding subscriptions, reprints, and permissions appears following the table of contents.

The *Journal of Mathematical Physics* (ISSN: 0022-2488) is published monthly by the American Institute of Physics. Periodicals postage paid at Woodbury, NY 11797, and additional mailing offices. POSTMASTER: Send address changes to the *Journal of Mathematical Physics*, American Institute of Physics, 500 Sunnyside Blvd., Woodbury, NY 11797-2999.
