### Information for Authors

**Submissions:** Submit manuscripts to Office of the Editor, *Journal of Mathematical Physics*, Indiana University, The Poplars, Room 324, Bloomington, IN 47405; E-mail: jmp@indiana.edu.

Authors who wish to have their manuscript handled by a specific member of the Editorial Board should so notify the editorial office at the time of submission, and also send two copies (in addition to the three copies sent to the editorial office) of their manuscript to the Board member of their choice. Details about manuscript submission (hardcopy and electronic) can be found in the January issue and at the above URL.

**Publication Charge:** The American Institute of Physics does not require page charges for this journal.

**Free Color Online:** If authors supply usable color graphics files in time for the production process, color will appear in the online journal free of charge. Authors or their institutions must bear the cost of any color they wish to use in print. A fixed rate of \$650 for the first color figure and \$325 for each additional color figure applies for color in print. For multipart figures, a single charge will apply only if all parts are submitted as a single piece of artwork.

**Reprints:** Order reprints with or without covers only in multiples of 50 from AIP, Circulation & Fulfillment/Reprints, Suite 1N01, 2 Huntington Quadrangle, Melville, NY 11747-4502; Fax: 516-349-9704; Tel.: 800-344-6909 (U.S. and Canada) or 516-576-2270.

**Supplemental Material** may be deposited with AIP's Electronic Physics Auxiliary Publication Service (EPAPS), a low-cost online depository. For a nominal fee, authors may submit multimedia, color figures, data tables, text, etc. Address requests to the Editor; for additional information, see <http://www.aip.org/pubserv/epaps.html>.

**Online Status Inquiry:** During the production process, authors may access information about their accepted manuscripts at <http://www.aip.org/msinq/status.html>.

**Comments:** Direct comments on the journal or editorial process to Doreene Berger, Editorial Operations, AIP, Suite 1N01, 2 Huntington Quadrangle, Melville, NY 11747-4502; Tel.: 516-576-2444; Fax: 516-576-2450; E-mail: dberger@aip.org.

*Journal of Mathematical Physics* is published monthly by the American Institute of Physics (AIP). Its purpose is the publication of papers in mathematical physics—that is, the application of mathematics to problems in physics and the development of mathematical methods suitable for such applications and for the formulation of physical

theories. The mathematics should be written in a manner that is understandable to theoretical physicists. Occasionally, reviews of mathematical subjects relevant to physics and special issues combining papers on a topic of current interest may be published.
