Information for Authors

Submissions: Submit manuscripts online at <http://jmp.peeerx-press.org>. Editorial Office: Bruno L. Z. Nachtergaele, Editor, *Journal of Mathematical Physics*, Department of Mathematics, 3125 MSB, University of California, Davis, CA 95616, USA. Tel: 530-752-0268; E-mail: jmp@math.ucdavis.edu. Submission implies that the manuscript has not been published previously and is not currently submitted for publication elsewhere. For detailed Information for Contributors, visit <http://jmp.aip.org/jmp/submit.jsp>.

Authors who wish their manuscript to be handled by a specific member of the Editorial Board should include a note to that effect in the submission cover letter as well as in the "Submission Comments" box at the bottom of the online manuscript submission form.

Publication Charge: The American Institute of Physics does not require page charges for this journal.

Open Access: Through participation in *Author Select*[®] and payment of a \$1500 fee, authors may choose open access publication for their accepted papers. See information during manuscript submission at <http://jmp.peeerx-press.org>.

Free Color Online: If authors supply usable color graphics files in

time for the production process, color will appear in the online journal free of charge. Authors or their institutions must bear the cost of any color they wish to use in print. A fixed rate of \$650 for the first color figure and \$325 for each additional color figure applies for color in print. For multipart figures, a single charge will apply only if all parts are submitted as a single piece of artwork.

Reprints: Order reprints with or without covers only in multiples of 50 from AIP, Circulation & Fulfillment/Reprints, Suite 1N01, 2 Huntington Quadrangle, Melville, NY 11747-4502; Fax: 516-349-9704; Tel.: 800-344-6909 (U.S. & Canada) or 516-576-2270.

Supplemental Material may be deposited with AIP's Electronic Physics Auxiliary Publication Service (EPAPS), a low-cost online depository. For a nominal fee, authors may submit multimedia, data tables, text, etc. Address requests to the Editor; for additional information, see <http://www.aip.org/pubservs/epaps.html>.

Journal of Mathematical Physics is published monthly by the American Institute of Physics (AIP). Its purpose is the publication of papers in mathematical physics—that is, the application of mathematics to problems in physics and the development of mathematical methods suitable for such applications and for the formulation of physical

theories. The mathematics should be written in a manner that is understandable to theoretical physicists. Occasionally, reviews of mathematical subjects relevant to physics and special issues combining papers on a topic of current interest may be published.
