Journal of Mathematical Physics is published by the American Institute of Physics (AIP); content is published online daily and collected into a monthly online and printed issue (12 issues per year). Its purpose is the publication of papers in mathematical physics—that is, the application of mathematics to problems in physics and the development of mathematical methods suitable for such applications and for the formulation of physical theories. The mathematics should be written in a manner that is understandable to theoretical physicists. Occasionally, reviews of mathematical subjects relevant to physics and special issues combining papers on a topic of current interest may be published.

Submissions: Submit manuscripts at jmp.peerx-press.org. Submission implies that the manuscript has not been published previously and is not currently submitted for publication elsewhere. For specific editorial format requirements and submission information, visit jmp.aip.org/authors. Authors who wish their manuscript to be handled by a specific member of the Editorial Board should include a note to that effect in the submission cover letter, as well as in the "Submission Comments" box on the online manuscript submission form at jmp.peerx-press.org.

Publication Charge: The American Institute of Physics does not require page charges for this journal.

Open Access: Through participation in *Author Select*® and payment of a \$1500 fee, authors may choose open access publication for their accepted papers. Authors will receive information during the production process. More details on this option may be found at jmp.aip.org/authors.

Free Color Online: If authors supply usable color graphics files in time for the production process, color will appear in the online journal free of charge. Authors or their institutions must bear the cost of any color they wish to use in print. A fixed rate of \$325 for each color figure applies for color in print. For multipart figures, a single charge will apply only if all parts are submitted as a single piece of artwork.

Reprints: Authors will be contacted about reprint orders during the production process; all orders are placed through Rightslink. Direct questions to pcr@aip.org.
