Information for Authors

Submissions: Submit manuscripts (3 copies) to Nghi Q. Lam, Editor, *Applied Physics Letters*, Argonne National Laboratory, Bldg. 203, Room R-127, P.O. Box 8296, 9700 South Cass Avenue, Argonne, IL 60439-4871; E-mail: apl@anl.gov. Submission implies that the manuscript has not been published previously, and is not currently submitted for publication elsewhere. For detailed information for contributors, visit the above URL.

Publication Charge: To support the cost of wide dissemination of research results through publication of journal pages and production of a database of articles, the author's institution is requested to pay a *page charge* of \$105 per page (with a one-page minimum) and an *article charge* of \$20 per article. For Errata the minimum page charge is \$10, with no article charge.

Color Printing: Authors or their institutions must bear the cost of any color they wish to use in their papers. A fixed rate of \$650 for the first color figure and \$325 for each additional color figure applies. For multipart figures, a single charge will apply only if all parts are submitted as a single piece of artwork.

Cover Image: The color image printed on the front cover of each issue is selected from an article prepared for print in the corresponding issue, based mainly on visual attraction. There is no charge to the author for processing the cover illustration in color. However, if the figure is to be printed in color in the issue, the normal charge still applies (see above details). If the figure is to be printed as black and white in the text, we will ask that the author provide us with a color version for the cover.

Reprints: Order reprints with or without covers only in multiples of 50 from AIP, Circulation & Fulfillment/Reprints, Suite 1NO1, 2 Huntington Quadrangle, Melville, NY 11747-4502; Fax: 516-349-9704; Tel.: 1-800-344-6909 (U.S. and Canada), or 516-576-2270.

Supplemental Material may be deposited with AIP's Electronic Physics Auxiliary Publication Service (EPAPS), a low-cost online depository. For a nominal fee, authors may submit multimedia, color figures, data tables, text, etc. Address requests to the Editor; for additional information, see <http://www.aip.org/pubserv/epaps.html>.

Online Status Inquiry: During the production process, authors may access information about their accepted manuscripts at <http://www.aip.org/msinfo/status.html>.

Comments: Direct comments on the journal or editorial process to Doreene Berger, Editorial Operations, AIP, Suite 1NO1, 2 Huntington Quadrangle, Melville, NY 11747-4502; Tel.: 516-576-2444; Fax: 516-576-2450; E-mail: dberger@aip.org.

Digital Object Identifier (DOI): Each archival article published is assigned a unique DOI that serves to identify the article in a digital environment. In print, the DOI appears at the end of each abstract.

Applied Physics Letters features concise, up-to-date reports of new findings in applied physics. Emphasizing rapid dissemination of key data, the Journal offers prompt publication of significant experimental and theoretical papers bearing on applications of physics to all branches of science, engineering, and modern technology.
