# The ASME Digital Library

[www.asmedl.org](http://www.asmedl.org)

Meet your research needs with subscription  
access to an array of journals, conference  
proceedings, and books on a single platform

All 24 of ASME's Transactions Journals plus Applied  
Mechanics Reviews, and more than 100 ASME annual  
conference proceedings volumes are available to sub-  
scribers on a single platform – *with integrated searching  
and linking features!*

The ASME Digital Library features over  
30,000 journal articles along with more  
than 30,000 conference proceedings  
papers.

## Examine current and archival content

- New content being added continually. Also, complete journal archives from 1990–1999 are now available, with more to come
- Future upgrades include additional archival proceedings and selected ASME E-books

## Just a click away!

Now engineers, scientists and researchers have a full range of information, features, and services right at their fingertips:

- Contents alerts and RSS feeds
- Abstract-level searching without subscription
- Links to cited source articles from other publishers via CrossRef
- Links to abstracting and indexing databases enabling the retrieval of related articles including those that cite source material
- Ability to download citations to a variety of citation managers
- COUNTER compliant statistics and usage reports
- Ability to create and share virtual article collections
- Full-text articles (for subscribers)
- Pay-per-view available
- Hosted on the Scitation® platform

### Package 2A: Archives

Online Only Archives, 1990-1999...\$2,784

The following specialized package consists of a collection of journals for the medical community.

### Package PKEMB: Engineering for Medicine and Biology

The Engineering for Medicine and Biology Journal Package includes the following ASME Transactions Journals:

*Medical Devices*

*Engineering Materials and Technology*

*Fluids Engineering*

*Biomechanical Engineering*

*Nanotechnology in Engineering and Medicine*

Print & Online (U.S.) (PKEMB) .....\$2,217  
Print & Online (outside U.S.) (PKEMB) \$2,450  
Online Only (worldwide) (PKEMBO) ....\$1,970

### Package PKEMBA: Archives

Includes: *Journal of Engineering Materials and Technology*, *Journal of Fluids Engineering*, and *Journal of Biomechanical Engineering*

Online Only Archives, 1990-1999 .....\$1,100

**Standing Order Customers:** You may continue with your existing standing order plans to receive the print editions of conference proceedings.

## CONFERENCE PROCEEDINGS PACKAGES

### Package 3: All Current Conference Proceedings
