This agreement is construed and governed in accordance with the laws of France.

The author who signs this agreement warrants that s/he has full authority to enter this agreement on behalf of all the authors of the article, that the authors of the article are the sole authors and owners of copyright of the article (or if not, that other contributors have granted the authors permission to hold the copyright of the contents of the article; copies of these permissions must be provided), that all facts contained in the article are true and accurate, that nothing in the article is obscene, defamatory, libelous, violates any right of privacy or any intellectual property rights.

In consideration of HFSP agreeing to publish the article, the authors retain the copyright of the contents of the article but they grant HFSP the exclusive license to publish, reproduce, distribute, display and store the article (as well as summaries, extracts or other derivative works based on the article) in all forms, formats and media whether currently known or hereafter developed throughout the world, to license others to do so, and to include links from the article to third-party material. The License is granted for the entire duration of the Intellectual Property rights according to the French law and International Treaties.

Please select one of the 3 following options:

My article is a primary research article. I DO NOT wish to opt for Open-Access publication. Provided that the HFSP journal is acknowledged and referenced, I will be entitled to post the final version of my article produced by HFSP on my own website or institutional repository or my funding body archive six months after its original print publication in the *HFSP Journal*. I also retain the rights to reproduce parts of the article in other articles that I am author of or for teaching purposes.

My article is a primary research article. I wish to opt for Open-Access publication and agree to pay the \$2,100 Open-Access fee. Provided that the HFSP journal is acknowledged and referenced, I am entitled to post a copy of the online version of my article published by the *HFSP Journal* on my own website, my funding agency's website, on the site of societies I am affiliated with or on institutional repositories immediately upon publication of the article. I also retain the rights to reproduce parts of the article in other articles that I am author of or for teaching purposes.

My article is an Editorial, a Perspective or a Commentary. Provided that the HFSP journal is acknowledged and referenced, I am entitled to reproduce parts of the article in other articles that I am author of or for teaching purposes. The *HFSP Journal* retains the exclusive rights to the publication of the full length article

If an article published in the *HFSP Journal* is republished by another publisher for commercial purposes, permission has to be obtained from HFSP (please email kthompson@hfsp-publishing.org for permission requests) and a reproduction fee will apply to the publisher.
