Information for Authors

Submissions: Submit manuscripts, as electronic PDF files, via the website: <http://jcp.uchicago.edu>. Do not send manuscripts to the editorial offices as e-mail attachments. If preferred, mail printed manuscripts (2 copies) to Editor, *The Journal of Chemical Physics*, Department of Chemistry, 5735 S. Ellis Ave., The University of Chicago, Chicago, IL 60637; E-mail: editor@jcp.uchicago.edu; Fax: 773-702-8314. Submission implies that the manuscript has not been published previously and is not currently submitted for publication elsewhere. For detailed information for contributors, visit <http://jcp.aip.org/jcp/submit.jsp>.

Publication Charge: The American Institute of Physics does not require page charges for this journal.

Open Access: Through participation in *Author Select*[®] and payment of an \$1500 fee, authors may choose open access publication for their accepted papers. Authors will receive information during the production process.

Free Color Online: If authors supply usable color files in time for production, color will appear online free of charge; the same files will be used for print, whether these appear in color or not.

Color Printing: Color illustrations will be published free of charge to authors in the printed journal if the Journal's editors deem the use of color to be essential. For all other color figures, fixed rates of \$650 for the first color figure and \$325 for each additional color figure apply. For multipart figures, a single charge will apply only if all parts are submitted as a single piece of artwork.

Reprints: Order reprints with or without covers only in multiples of 50 from AIP, Circulation & Fulfillment/Reprints, Suite 1N01, 2 Huntington Quadrangle, Melville, NY 11747-4502; Fax: 516-349-9704; Tel.: 1-800-344-6909 (U.S. & Canada), or 516-576-2270.

Supplemental Material may be deposited with AIP's Electronic Physics Auxiliary Publication Service (EPAPS), a low-cost online depository. For a nominal fee, authors may submit multimedia, data tables, text, etc. Address requests to the Editor; for additional information, see <http://www.aip.org/pubservs/epaps.html>.

Online Status Inquiry: During the production process, authors may access information about their accepted manuscripts at <http://www.aip.org/msinq/status.html>.

The Journal of Chemical Physics (JCP) publishes concise and definitive reports of significant research in methods and applications of chemical physics. Innovative research in traditional areas of chemical physics such as spectroscopy, kinetics, statistical mechanics, and quantum mechanics continue to be areas of interest to readers of JCP. In addition, newer areas such as polymers, materials, surface/interfaces, information theory, and systems of biological relevance are of increasing importance. Routine applications of chemical physics techniques may not be appropriate for JCP. Content is published online daily, collected into four online and printed issues per month (48 issues per year); the journal is published by the American Institute of Physics.
