Information for Authors

Submissions: Manuscripts can be submitted in hard copy or as electronic files. Send electronic files to plasmas@pppl.gov. Mail 3 copies to Ronald C. Davidson, Editor, *Physics of Plasmas*, Princeton Plasma Physics Laboratory, James Forrestal Campus, MS 20, Princeton, NJ 08543; Tel.: 609-243-2424; E-mail: physplas@pppl.gov. See the above URL or contact the Editorial Office for accepted formats and detailed submission information. Submission implies that the manuscript has not been published previously and is not currently submitted for publication elsewhere.

Publication Charge: To support the cost of wide dissemination of research results through publication of journal pages and production of a database of articles, the author's institution is requested to pay a page charge of \$55 per page (with a one-page minimum) and an article charge of \$20 per article. For Errata the minimum page charge is \$10, with no article charge. For any regular, published article that exceeds 11 journal pages, a mandatory \$150 page charge will be added for each page in excess of 11 pages.

Color Printing: If authors supply usable color graphics files in time for the production process, color will appear in the online journal free of charge. Authors or their institutions must bear the cost of any color they wish to use in print. A fixed rate of \$650 for the first color figure and \$325 for each additional color figure applies for color in print. For multipart figures, a single charge will apply only if all parts are submitted as a single piece of artwork.

Reprints: Order reprints with or without covers only in multiples of 50 from AIP, Circulation & Fulfillment/Reprints, Suite 1N01, 2 Huntington Quadrangle, Melville, NY 11747-4502; Fax: 516-349-9704; Tel.: 1-800-344-6909 (U.S. and Canada), or 516-576-2270.

Supplemental Material may be deposited with AIP's Electronic Physics Auxiliary Publication Service (EPAPS), a low-cost online depository. For a nominal fee, authors may submit multimedia, color figures, data tables, text, etc. Address requests to the Editor; for additional information, see <http://www.aip.org/pubservs/epaps.html>.

Online Status Inquiry: During the production process, authors may access information about their accepted manuscripts at <http://www.aip.org/msinq/status.html>.
