Davidson, Editor, *Physics of Plasmas*, Princeton Plasma Physics Laboratory, James Forrestal Campus, MS 20, Princeton, NJ 08543; Tel.: 609-243-2424; E-mail: [physplas@pppl.gov](mailto:physplas@pppl.gov). See the above URL or contact the Editorial Office for accepted formats and detailed submission information. Submission implies that the manuscript has not been published previously and is not currently submitted for publication elsewhere. For detailed Information for Contributors, visit <http://pop.aip.org/pop/submit.jsp>.

**Publication Charge:** To support the cost of wide dissemination of research results through publication of journal pages and production of a database of articles, the author's institution is requested to pay a *page charge* of \$55 per page (with a one-page minimum) and an *article charge* of \$20 per article. For Errata the minimum page charge is \$10, with no article charge. For any regular, published article that exceeds 11 journal pages, a mandatory \$150 page charge will be added for each page in excess of 11 pages.

**Open Access:** Through participation in *Author Select*® and payment of an \$1800 fee, authors may choose open access publication for their accepted papers. See information during manuscript submission at <http://pop.peeerxpress.org>.

**Free Color Online:** If authors supply usable color graphics files in time for the production process, color will appear in the online journal free of charge. Authors or their institutions must bear the cost of any color they wish to use in print. A fixed rate of \$650 for the first color figure and \$325 for each additional color figure applies for color in print. For multipart figures, a single charge will apply only if all parts are submitted as a single piece of artwork.
