## Tire Science & Technology Journal

### Institutional Single-Site Subscription License

1. BY SIGNING THIS LICENSE (“LICENSE”), the institution identified below (“Subscriber” or “you”) agrees to the terms and conditions set forth in this License. In turn, the Tire Society, Inc. (“Society”), grants the Subscriber and Authorized Users at the single Subscriber’s Authorized Site the right to access the online version of Tire Science & Technology (“TST” or “Journal”) journal subject to these same terms and conditions.

## Institutional Single-Site User License Terms and Conditions

**2. Authorized Site and Users:** This License grant extends site access only to the Subscriber and such Authorized Users individually and may not be transferred to, or extended to, others.

For purposes of this License, an “Authorized Site” is a localized site (one geographical location) that is under a single administration. For an organization with locations in more than one city, each city is considered to be a different site. For an organization that has multiple locations in the same city that are administered independently, each location is considered to be a different site. No accesses from remote campuses or remote sites and no consortia or other forms of subscription sharing are allowed under this License. (If you are seeking online access for multiple sites, please contact the Tire Society Business Office at [TireSociety@neo.rr.com](mailto:TireSociety@neo.rr.com) or phone 1-330-929-5238.)

“Authorized Users” means only the employees, faculty, staff, and students officially affiliated with the Subscriber at the Authorized Site, and persons with legal access to the library’s collections and facilities at the Authorized Site, using an IP address within the range identified in the Appendix (page 5). Authorized Users may be persons remote from the Subscriber’s physical location whose access is administered from the Authorized Site, but not persons at remote sites or campuses with separate administrations. For example, an employee of the Subscriber is considered an Authorized User when accessing the Subscriber’s network from home or while traveling to another city; however, employees of a branch campus or facility in another city are not considered Authorized Users.

The Subscriber will exercise reasonable vigilance and shall be responsible for all access control and security measures necessary to ensure that the Subscriber’s IP addresses are not used by other than Authorized Users. The Subscriber warrants and represents that common and reasonable methods will be used to inform Authorized Users of general terms and conditions for the use of online information products that are consistent with this License. Furthermore, the Subscriber will make every attempt to enforce the terms of this License upon receiving information from the online service provider or any other source that reasonably indicates violation of the terms of this License.

**3. IP Addresses:** Authorized Users will be recognized and authorized by their Internet address. IP addresses and/or address ranges for the Subscribing Institution are indicated in the Appendix.

**4. Permitted Use:** The Subscriber and Authorized Users are permitted online access to Tire Science & Technology journal, and may download, save, or print text, search results, or other information from the Online Journal solely for the private use or research of the Subscriber and the Authorized Users. The Subscriber and Authorized Users may only use this online access in a way that conforms to all applicable laws and regulations.

The Society as the copyright owner of TST Journal grants the Subscriber and Authorized Users permission for brief quotations from the content of Online Journal articles with the customary acknowledgment of the source, and to copy and transmit content from individual Online Journal articles in “person-to-person” and non-systematic scholarly exchanges of information between Authorized Users and specific individuals. The Subscriber specifically agrees that use by the Subscriber or Authorized Users other than indicated above is a violation of the terms of this License.

**5. Prohibitions on Certain Uses:** Altering, recompiling, systematic or programmatic copying, reselling, redistributing, publishing or republishing (beyond the brief quotations permitted under Section 4) of any journal text, output, search results, or other information from the online Journal, or any portion thereof, including without limitation, copyright, proprietary and/or other legal notices contained therein, in any form or medium is prohibited.

Systematic or programmatic downloading (for example, downloading entire journal volumes), service bureau redistribution services, printing for fee-for-service purposes and/or the systematic making of print or electronic copies for transmission to non-subscribers or non-subscribing institutions (such as “interlibrary loan”) are prohibited.

Downloading portions of the online Journal for creating pre-loaded systematic and persistent local copies (not including transient, dynamic caches of individually requested material) for redistribution is prohibited. All rights not expressly granted are reserved to the stated copyright holder of the Journal.

The Society shall not be required to distribute, and Subscriber shall not redistribute, the online platform being used to host the Journal or any Online Journal included therein to a country where the export thereof is prohibited by U.S. law or regulation.

**6. Duration of License:** This License will become effective on receipt by the Society of the License signed by an authorized agent of the Subscriber, and, subject to the terms and conditions of this License, will remain in effect while the

# THE TIRE SOCIETY, INC.

[www.tiresociety.org](http://www.tiresociety.org)

Subscriber maintains a current paid subscription to the Journal.

This License will terminate:

- a. Subject to (b.) and (c.) below, if the subscription lapses (termination is effective at the end of the paid subscription period).
- b. Following thirty (30) days' prior written notice that any term or condition of this License is violated for any reason, knowingly or unknowingly, provided that violation is not remedied with all reasonable haste upon notification. The foregoing notwithstanding, the Society reserves the right to suspend access to the service immediately upon detecting a breach of this License. The Society will use reasonable effort to notify the Subscriber as soon as possible, usually within three (3) days of any such suspension of service, by sending e-mail to the address provided on the subscription form.
- c. Following thirty (30) days' prior written notice by the Society of any change in the terms of this License and receipt by the Society of notice from the Subscriber in writing, or by e-mail or by fax, that the Subscriber does not accept such change or changes. (In the absence of any such objection by Subscriber, the Society's new terms shall apply.)

This License shall renew automatically for the term of any renewal subscription upon receipt by the Society of payment for that subscription.

**7. Copyright:** The online Journal and its content, including abstracts, are copyrighted by the Society, or as indicated within the journal. The online hosting platform and the online Journal are subject to all applicable copyright, database protection and other rights of the stated owner and publisher under the laws of the United States and other countries. Copyright notices in the online Journal may not be removed, obscured, or modified in any way. Unauthorized copying or redistribution of the Journal's content is a violation of copyright laws.

**8. Failure of Performance** Following online access approval, the Subscriber and Authorized Users will be permitted to attempt online access to the Journal at any time. The Society, however, will not be liable for any delay, downtime, transmission error, software or equipment incompatibilities, force majeure or other failure of performance. The Society will use commercially reasonable efforts to correct any material performance problem brought

to its attention and may suspend performance pending such correction.

**9. Disclaimer of Warranties; Limitation of Liability; Indemnification** The Society warrants that it is entitled to grant this License. EXCEPT AS SET FORTH IN THE PRECEDING SENTENCE, THE SOCIETY MAKES NO WARRANTY OR REPRESENTATION OF ANY KIND, EXPRESS OR IMPLIED, WITH RESPECT TO THE ONLINE JOURNAL AND ONLINE PLATFORM USED TO HOST THE JOURNAL, INCLUDING THEIR QUALITY, ORIGINALITY, SUITABILITY, SEARCHABILITY, OPERATION, PERFORMANCE, COMPLIANCE WITH ANY COMPUTATIONAL PROCESS, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

THE SOCIETY SHALL NOT BE LIABLE FOR: EXEMPLARY, SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR OTHER DAMAGES, ARISING OUT OF OR IN CONNECTION WITH THE SUBSCRIPTION OR LICENSE GRANTED HEREUNDER, THE USE OR INABILITY TO USE THE ONLINE JOURNAL, SOCIETY'S PERFORMANCE UNDER THIS LICENSE, TERMINATION OF THIS LICENSE OR THE LOSS OF DATA, BUSINESS OR GOODWILL, EVEN IF THE SOCIETY IS ADVISED OR AWARE OF THE POSSIBILITY OF SUCH DAMAGES.

IN NO EVENT SHALL THE TOTAL AGGREGATE LIABILITY OF THE SOCIETY FOR ANY CLAIMS, LOSSES OR DAMAGES ARISING OUT OF ANY BREACH OR TERMINATION OF THIS LICENSE EXCEED THE TOTAL AMOUNT PAID BY THE SUBSCRIBER TO THE SOCIETY FOR THE ONLINE JOURNAL SUBSCRIPTION, BUT NOT LESS THAN TWENTY-FIVE DOLLARS (\$25.00), FOR THE CURRENT SUBSCRIPTION YEAR IN WHICH SUCH CLAIM, LOSS OR DAMAGE OCCURRED, WHETHER IN CONTRACT, TORT, OR OTHERWISE, INCLUDING WITHOUT LIMITATION DUE TO NEGLIGENCE.

The foregoing limitation of liability and exclusion of certain damages shall apply regardless of the success or effectiveness of other remedies. No claim may be made against the Society unless suit is filed thereon within one (1) year after the event giving rise to the claim.

The Subscriber assumes sole responsibility for all use of the online hosting platform and the online Journal by the Subscriber and its Authorized Users.

In the event of a breach of this License by the Subscriber or Authorized Users, the Subscriber agrees to indemnify and hold the Society harmless from and against any and all claims, liabilities, damages, expenses (including attorneys' fees and experts' costs, penalties and fees, if any, for the enforcement of this License and otherwise for the Society's

# THE TIRE SOCIETY, INC.

[www.tiresociety.org](http://www.tiresociety.org)

defense of indemnified claims), losses and threatened losses arising from, or in connection with that breach, including without limitation, claims of unauthorized use.

**10. General** This License constitutes the entire agreement between the parties and supersedes any prior communication between the parties with respect to the subject matter hereof. The headings used in this License are for convenience only and are not to be considered in construing the terms of this License.

Subject to termination under Section 6, this License may be amended only by consent (via mail, email, or fax) of both parties. If the Society sends notice to the Subscriber of changes in the terms of this License, lack of response by the Subscriber within a thirty (30) day period will be taken as

acceptance of the new terms. Subscriber may not make any changes to this License without written consent by the Society.

The Subscriber must pay any taxes (including but not limited to any applicable Value Added Taxes, Sales Taxes, and Import Taxes) other than taxes on Society's net income, arising out of the Subscriber's use of the online hosting platform and the Society's online Journal and/or the rights granted under this License.

The Subscriber may not assign or transfer its rights under this License. The provisions of Sections 2, 4, 5, 7, 8, 9, and 10 hereof shall survive any expiration or termination of this License.

---

I have read, agree, adhere to, and abide by all the terms and conditions stated above.

## APPENDIX INSTITUTIONAL IP ADDRESSES/RANGES

The Tire Society, Inc., has enabled IP-address-based access control for institutional subscribers. Each computer that accesses the Internet is assigned an IP address, commonly represented as four number groups separated by dots (e.g., 192.58.150.10). All computers on a local area network, or subnet, may have the first two or three number groups in common. Access to TST journal from your institution's Authorized Site will be provided based on the IP addresses and/or ranges you provide. (It is recommended that you consult with your network administrator to determine your IP addresses, subnets, and other critical information about your institution's network configuration.) IP addresses for locations other than the Authorized Site will not be accepted under this License. If you are seeking online access for multiple sites, please contact the **Tire Society Business Office at [TireSociety@neo.rr.com](mailto:TireSociety@neo.rr.com) or 1-330-929-5238.**

The Society will accept up to ten IP addresses and/or ranges (Class B, Class C, and single station) via this form (attach additional sheets as necessary). Note that Class B requests will be subject to additional review by the Society's Technical Staff. Please contact the Tire Society Business Office (see above) if you need to register a proxy or caching server, or if you have any additional questions.

All information provided regarding your IP addresses will be verified by the Society and/or Society's service provider, and your network contact (which must be provided below) will be contacted if additional clarification is necessary.

Please type your IP addresses/ranges in the following formats [please contact the Tire Society Business Office (see above) if you require assistance]:

Class B Network: Enter the first two (network) numbers and use asterisks for the host addresses, i.e., 128.58.\*.\*

Class C Network: Type the first three (network) numbers and an asterisk for the host addresses, i.e., 192.58.150.\* (ranges are acceptable; type 192.58.150.\* - 192.58.152.\* to indicate Class C ranges)

Single Station(s): Type all four numbers, i.e., 192.40.158.10 (ranges are acceptable; type 192.58.150.10 - 192.58.150.30 to indicate ranges of single stations)

### IP Addresses and/or Ranges:
