The *Review of Scientific Instruments* is a monthly journal published by the American Institute of Physics (AIP) and devoted to scientific instruments, apparatus, and techniques. Its contents include original and review articles on instruments in physics, chemistry, and the life sciences, book reviews, and sections on new instruments and new materials. One volume is published annually. Conference proceedings are published and supplied in addition to the Journal's scheduled monthly issues.

Submit manuscripts (2 copies) to Thomas H. Braid, Editor, *Review of Scientific Instruments*, Argonne National Laboratory, P.O. Box 8293, Argonne, IL 60439-8293. [See "Information for Manuscript Preparation" (published quarterly) for guidelines.]

Advertising rates will be supplied on request. Orders, advertising copy, and off-set negatives should be sent to: Advertising Department, American Institute of Physics, 335 East 45th Street, New York, NY 10017-3483, 212-661-9260; 800-344-6915.

Copyright Notice: Authorization to photocopy items for internal or personal use, or the internal or personal use of specific clients, is granted by the American Institute of Physics, provided that the appropriate fee per page is paid directly to the *Copyright Clearance Center (CCC), 27 Congress Street, Salem, MA 01970*.

The item-fee code for this publication is 0034-6748/93 \$06.00.

Permission For Other Use: Individual teachers, students, researchers, and libraries acting for them are permitted to make copies of articles in this journal for their own use in research or teaching, including multiple copies for classroom or library reserve use, provided such copies are not sold. Copying for sale is subject to payment of copying fees. Permission is granted to quote from the journal with the customary acknowledgment of the source. To reprint a figure, table, or other excerpt requires in addition the consent of one of the original authors and notification to AIP. Reproduction for advertising or promotional purposes, or republication in any form, is permitted only under license from AIP, which will normally require that the permission of one of the authors also be obtained. Direct inquiries to: Office of Rights and Permissions, American Institute of Physics, 500 Sunnyside Boulevard, Woodbury, NY 11797-2999.

Document Delivery: Copies of individual articles may be obtained at \$15 per article for nonmembers and \$12 per article for members (postage included). Air-mail and fax service are also available. Contact: AIP Member and Subscriber Services, 500 Sunnyside Blvd., Woodbury, NY 11797-2999; phone: (516) 576-2277; (800) 344-6908; fax: (516) 394-9704; E-mail: elecpub@pinet.aip.org.

Online Availability: Abstracts of journal articles published by the AIP and its Member Societies are available in bibliographic databases on major online hosts as well as in the SPIN database via the AIP online service, PINET (Physics Information Network). In addition to SPIN, PINET offers other physics information sources, a jobs database, membership directories, and Advance Abstracts, a current awareness service with abstracts of research papers up to three months prior to their publication in AIP or Member Society Journals. Please call (800) 874-0947 or (516) 576-2262 for further information.
